

This report was created by the South Carolina Cancer Alliance (SCCA), a registered non-profit organization, with collaboration from SC DHEC Division of Cancer Prevention and Control and the South Carolina Central Cancer Registry. Funding provided by the South Carolina Cancer Alliance (SCCA), South Carolina Department of Health and Environmental Control (DHEC) and the Centers for Disease Prevention and Control (CDC).

Many individuals contributed directly and indirectly to the acquisition of these data and to the preparation of this report. Special thanks to the SCCA Cancer Report Card Committee members:
